

COLOUR BOOK OF LIFE ADVANCED SERVICE

Your Life Path Tarot Card - 22. THE FOOL - The energy of freedom

(+)

One of the best birth cards. They have a very stable, measured life and a strong

guardian angel. This birth card shows that the "soul" has not sinned much and

earned the opportunity to live this life getting as much enjoyment as possible.

Open-hearted, a lot of contact with people. Ideally, they don't work as hired

employees. Optimistic.

(-)

Self-doubt, escape from life, missed opportunities, a lot of delusions.

Laziness! They put themselves in a box. Attached to material things

(HYPER)

Foolish decisions. Addictions. A wild lifestyle.

Your Personal Code for Abundance - 3919

- Visualize it and concentrate on it
- Write it on your vision board... etc.
- Write it on banknotes, business cards;
- Set it as a password for your phone or a pin code for your credit card;

IMPORTANT NOTE! Colour Book Of Life service can't be considered as a replacement for conservative medical diagnostics and therapy. Page 1

You have received corrective vibrational frequencies for the parameters listed below, detected to be of the highest importance for the current stage of your self-development.

1. Chakra and Subtle Bodies Restoration

- Blockage in level 1. of the Alta Major chakra

2. Harmonisation of the Subtle Energy Systems - clearing blockages, aligning, and connecting with high vibrational energy structures. To facilitate the process, you can meditate on:

- Mental body

3. Elimination of Harmful Environmental Influences

- Mobile phone radiation from transmission masts

4. Animal Spirit Guides (Totem, Power, and Spirit Animals can change when their purpose is fulfilled)

- Invoke --- as your Totem Animal with whom you have a soul contract with for this life to counsel, heal and support you.

- Invoke --- as your Power Animal whose medicine and magic you call upon for assistance.

- Invoke **Lizard** as your Spirit Animal that comes for a time to teach a lesson or help with particularly difficult situations.

Lizard, as a Spirit Animal, seeks creative people that are facing blockages. It arrives to break a cycle and provide a fresh perspective. The setback you're experiencing is temporary, and

it has lessons to offer you. Lizard's arrival in your life assures there's an exciting opportunity ahead.

5. **Healing Gems and Crystals** - you can also promote the flow of energy through your body, soul, and even home by wearing these recommended gems and crystals as jewelry, practicing meditation with them or just placing them around as home décor:

- **Mosandrite** (Hieroglyphic Stone) – A yellow- dark brown stone with many markings that look like hieroglyphics but are actually ancient petrified plant life. Hieroglyphic Stone stimulates the gift of prophecy, provides grounding, brings vitality to creativity and is very useful in healing (especially Reiki). It can also be used to bring vitality to creativity, love, personal power intuition and sexuality. Mosandrite can also be used in the treatment of skin rashes. (Charkas: Heart, Solar Plexus, Sacral, Root)

- **Blue Tourmaline**, also known as Indicolite, is a popular azure gemstone. Its aura aids in the growth of spiritual telepathy and projecting abilities. It may be beneficial in assisting you in making contact with people who have passed away. It is a Full Throat Chakra gemstone and a powerful Third Eye Chakra gemstone.

6. **Essential Oils** (You can also use them in different forms to amplify the effect.):

- **Cinnamon berry** is useful in treating stress-related conditions such as headaches, insomnia, indigestion, and nervous tension. Cinnamon berry acts as a stimulant to circulation. Beneficial for arthritis, muscle and joint stiffness, inflamed or painful joints and muscles, and sprains.

COLOUR BOOK OF LIFE ADVANCED SERVICE

- **Saint John's Wort** Organic essential oil is active for all external traumas (blows, bumps and bruises) as well as internal.

7. **Healing Colour Frequencies** - you can amplify the effect by visualizing these colours and having them on and around you.

- Green ray

8. **Development of Superconsciousness** – to facilitate the process, you may meditate on:

- Sensory integration
- Bringing white light into the aura
- Amigdala
- Letting go, motivating and re-energizing

9. **Archangels and Ascended Masters** - to accelerate your ascension process, you can invoke and meditate on:

- Archangel Chamuel (pink ray of love)
- El Morya
- Hilarion
- Lord Kathumi
- St Germain

10. **Spiritual Harmonisation of Aura** - detected weak points in the aura are associated with the dominant characteristics of a person with that type of aura damage, specific possible challenges, and the main message reflected on the spiritual, mental, emotional, corresponding body part, and chakra level. Recommended solutions and remedies for the detected weak points in the aura are given in the form of an invocation of a certain Ascended Master, Angel of Kabala, meditation on the principal quality of certain Angel, Affirmation, Plant and Gem/Crystal.

COLOUR BOOK OF LIFE ADVANCED SERVICE

Dominant Characteristics: Experiences deep satisfaction through helping others, thereby helping oneself. Possesses the gift of service and of bringing harmony into situation. This person's thoughts are ruled by love. A gentle, spiritual soul who is concerned about the human being in front of him. Is in connection with love from "above". Possesses self-confidence and strength.

Possible Challenge Aspects: May carry unresolved feelings and is suffering from that. Has very much sensitivity and may easily fall into a "darkness". May feel dominated by others.

Spiritual Level: Brings back energy to helpers (with burn-out syndrome). Protects from aggressive energy. Revives mind and soul. Helps the user get in touch with one's life's purpose in service.

Mental Level: Encourages self-acceptance and the development of intuition. Opens to love and harmony. Makes "old tapes" unnecessary. Helps the individual release over-sensitivity and exaggerated self-love.

Emotional Level: Breaks up old patterns of despair. Enables the person to cope with phases of a lack of love.

Main message: "Loving Kindness"

Plants: Rose Geranium, Alkanna, Violet, Gentian

Gems & Crystals: Rose Quartz, Charoite, Amethyst

Body area: Abdomen, Heart, Crown

Related colour: Violet

Ascended master: St. Germain

COLOUR BOOK OF LIFE ADVANCED SERVICE

Main Theme: Transformative and unconditional love in the service of others. Love from above.

Affirmation: „I am in a transformational process and as I transform myself I offer others the possibility of transformation“

72 Angels of Kabbalah: Haniel

Principal Quality: Purification

11. **Advanced Clearing of Energy Systems** – elimination of spells, vows, adverse energies, adverse thought forms, adverse entities and ET implants.
 - elimination of all adverse energies anywhere in the energetic field
 - elimination of all adverse possessions anywhere in the energetic field
 - invoke central channel of white light
 - remove all active malevolent ET implants from previous incarnations
12. **Chakra Miasmas** - negative energy programs in the chakras that are energetic waste created by psychological, emotional and spiritual trauma, abuse, and fear. To facilitate the process, you may set your intention to eliminate miasma from the:
 - level 7. of the 4. Chakra
 - level 3. of the 4. Chakra
 - level 5. of the 6. Chakra
 - level 1. of the 3. Chakra
 - level 1. of the 1. Chakra
 - level 4. of the 2. Chakra
 - level 7. of the 7. Chakra

- level 4. of the 7. Chakra

13. **Flower Essences** (Australian Bush, Bach, Cypress, FES and Californian) - you can also use them in different forms to amplify their effect:

- Bach - **Water Violet** is an exquisite wildflower of the British Isles which Dr. Bach recognized for its unique healing qualities. It benefits those who have a refined, delicately sensitive soul disposition, to find their footing in our ever more hardened modern materialistic world. The sensitivity of the Water Violet plant is evidenced by its affinity for a water habitat and its need for pure untarnished water. As pollution levels have increased, the Water Violet has become even more endangered.

- **Persian lilac** flower essence is for those whose main concern is the health and wellbeing of others. Their strong desire to improve the quality of life for those around them has led in part to their own poor health.

14. **Transformation of Negative Thoughts and Emotions** - to facilitate the process of transformation of low vibrational psychological conditions, develop awareness of:

- Phobia

15. **Soul Defragmentation** - number of occurrences of interference that disrupt the integration of soul fragments is

37.

16. **Assemblage Point** - you may support the process by setting your intention to:

- Move and Restore the entry angle of stationary assemblage point

- Remove and eliminate the shadow stationary assemblage point

17. **Heavenly Influences** - you may connect to receive support and spiritual guidance from:
- Equinox
 - Canopus
 - Aries
18. **Planetary Energy Alignment**
- create a structure to align and integrate this client to the current new wave of planetary energy
 - create a structure for the client to assimilate the current new wave of planetary energy
 - create a structure to help this client surrender to the current wave of planetary energy
 - create a structure to release any blockages preventing acceptance of the current new wave of planetary energy
19. **Higher Consciousness Geometric Shapes** – you can visualise and concentrate on these sacred geometry symbols, Yantras and crop circles to amplify the effect:
- Allington – September 2008.
 - Horton – June 2008.
 - Charlbury hill – July 2006
 - Altnuifra Germany – August 2005.
 - Silbury hill – May 2010.
 - Blofield – July 2006.

**THANK YOU FOR YOUR PARTICIPATION IN RAISING THE
COLLECTIVE VIBRATION!**
